

King Khaled Eye Specialist Hospital and Research Center

Ophthalmic Diagnostic Imaging Symposium 2025

Scientific Program

Day 1
Friday – 22 August 2025

07:30	08:30	Registration	
08:30	09:00	Opening Ceremony	
Start	End	Speaker	Presentation Title
Session 1 Moderator - Abdulrahman Al Gaeed			
09:00	09:20	Faeeqah Al Mhmoudi, MD	Early Detection: The Power Of Imaging in Eye Care
09:20	09:40	Faizah Zaki, MD	Advances in Neuroimaging
09:40	10:10	De La Torre, MD	Standardized Ultrasound in the Diagnosis of Tumors of the Eye and Orbit
10 :10	10:25	Coffee Break	
10:25	10:45	Mustafa Al Hassan, MD	Imaging for Tumors Related to the Eye and Orbit
10:45	11:05	Homoud Al Otaibi, MD	Radiological Findings in Orbital Trauma
11:05	11:15	All Speakers	Discussion
11:15	13:15	Prayer and Lunch	

King Khaled Eye Specialist Hospital and Research Center

Ophthalmic Diagnostic Imaging Symposium 2025

Scientific Program

Day 1
Friday – 22 August 2025

Start	End	Speaker	Presentation Title
Session 2 Moderator - Ahmed Al Dayel, MD			
13:15	13:35	De La Torre, MD	20 Mhz High-Frequency Ultrasound in the Study of the Macula
13:35	13:55	Faizah Zaki, MD	Imaging in Pediatric Brain Tumors
13:55	14:15	Huda Al Ghadeer, MD	Anterior Segment OCT in Ocular Injuries
14:15	14:35	Abdulrahman Badawi, MD	Coloration Between Ultrasonography Findings and Clinical Retinal Findings
14:35	14:55	Saad Al Dahmash, MD	Intra Ocular Tumors
14:55	15:15	Abdullah Abu Jamea, MD	Functional MRI and its Role in Ophthalmology and Visual Science
15:15	15:35	Noura Al Ruwaili, MD	Imaging of Orbital Emergencies
15:35	15:55	Huda Al Ghadeer, MD	Identification and Localization of Multiple Intrastromal Foreign Bodies with Anterior Segment OCT and Ocular Pentacam
15:55	16:05	All Speakers	Discussion
End of Session 2 and Day 1			
Registration Desk - Ground floor			
Male and Female Prayer Area - Ground Floor Lunch Location - Ground Floor			

King Khaled Eye Specialist Hospital and Research Center

Ophthalmic Diagnostic Imaging Symposium 2025

Scientific Program

Day 2
Saturday – 23 August 2025

Start	End	Speaker	Presentation Title
Session 1 Moderator - Abdullah Khan, MD			
08:30	08:50	Abdulrahman Al Gaeed	23.5 mm and Beyond
08:50	09:10	Fahad Al Aftan	Foundation of Ophthalmic Ultrasound: Orientation and Technique
09:10	09:30	Mohmmad Azzayed	
09:30	09:50	Abdullah Khan, MD	Pediatric Ocular Tumors and Their Masqueraders: A Diagnostic Challenge
09:50	10:10	De La Torre, MD	UBM In Glaucoma: Mechanisms of Risk Angle Closure
10:10	10:20	All Speakers	Discussion
10:20	10:30	Coffee Break	
Session 2 Moderator - Trevor Wyngaard			
10:30	10:50	Faizah Zaki, MD	Diagnostic Neuroimaging in Pediatric Neuro-Ophthalmic Disorders
10:50	11:10	Ahmed Al Robian, MD	Anterior Segment Tumors
11:10	11:30	Mustafa Mglyah, MD	OCT And Angio OCT in Ophthalmology
11:30	11:50	Saud Anazi	MRI 7 Tesla: Future Application in Neuroimaging
11:50	12:00	All Speakers	Discussion
12:00	13:00	Lunch Break	

King Khaled Eye Specialist Hospital and Research Center

Ophthalmic Diagnostic Imaging Symposium 2025

Scientific Program

Day 2
Saturday – 23 August 2025

Start	End	Speaker	Presentation Title
Session 3 Moderator - Abdulrahman Al Gaeed			
13:00	13:20	De La Torre, MD	Artificial Intelligence in the Echographic Diagnosis of Ocular Tumors
13:20	13:40	Samar Ismail	Doppler Application in Ophthalmology
13:40	14:00	Faizah Zaki, MD	Comprehensive Imaging in Retinoblastoma
14:00	14:20	Ahmad Al Robian, MD	IOL Formulas
14:20	14:40	Adnan Al Watban, MD	Risk And Safety Aspects in MRI
14:40	14:50	All Speakers	Discussion
14:50	15:00	Prayer and Break	
Session 4 Moderator - Dena Dahy			
15:00	15:20	Samar Ismail	Utility of Doppler Ultrasound for the study of ocular vascular disease
15:20	15:40	Dena Dahy	UBM in Anterior Segment: Cases and Imaging Interpretation
15:40	16:00	All Speakers	Discussion
Coffee Break			
Closing Remarks			
End of Day 2			
Registration Desk - Ground floor
